

PLUMBING SOLUTIONS FOR EVERY SERVICE CALL

Built for Contractors. Trusted Every Day. **Backed by IPS Corporation.**

Introducing the IPS Service Contractor's Trusted Portfolio

As a plumbing repair and service professional, you need high quality and dependable products that work the first time, products that save installation effort, and products that help you get the job done right. You need one source of proven plumbing solutions...you need the complete portfolio of plumbing solutions from IPS Corporation.

Whether you're responding to an emergency repair, completing a fixture replacement, or handling a remodel, IPS Corporation offers a comprehensive portfolio of products designed to help service plumbers work faster, reduce callbacks, and deliver quality results.

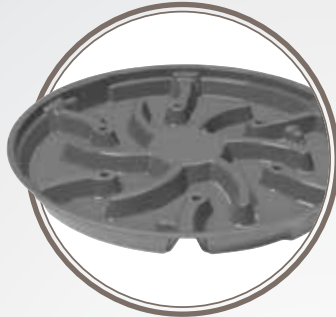

One Source—Proven Plumbing Solutions

IPS brings together the industry's most trusted brands, offering contractors a comprehensive range of products for all your service and repair applications:

FLOODSTOP®

Products to help stop flood damage before it ever starts

TOUGH PANS®

Nearly indestructible gas and electric water heater pans

AB&A®

Bath wastes, drains and cleanouts for service needs

TEST-TITE®

Pneumatic & mechanical test plugs and testing solutions

STUDOR®

Air admittance valves for venting plumbing fixtures

TRUEBRO®

ADA-compliant, under-sink protection products

WELD-ON®

Industry-leading solvent cements, primers, and cleaners

CHRISTY'S®

Professional-grade cements and job-site essential supplies

WATER-TITE®

Wide range of specialty plumbing and roofing products

Champion Pump

Wide portfolio of pumps and pump accessories

Freeze Miser®

Reliable outdoor hose bib freeze protection

Water Heater Leak Detection & Cleaner

Easy Installation. Dependable. Differentiated.

FloodStop® devices limit potentially devastating flood damage, allowing the plumber, builder, and homeowner to have peace-of-mind knowing no flood caused by an appliance will go unnoticed.

FloodStop Water Heater Kit

Point-of-Use leak detection for water heater replacements

FloodStop Water Alarm

Battery operated water alarm

FloodStop Descaler Kit

Non-toxic, biodegradable, non flammable and completely safe for equipment.

Roof Flashing Leak Repair

Multi-Size & Easy to Install

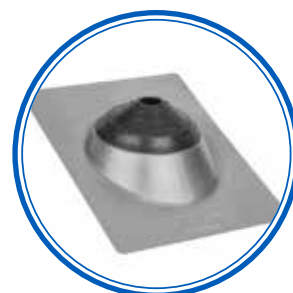

3N1 Black Perma-Boot Repair

Repair existing roof vent pipe leaks without removing shingles, using the Perma-Boot system. Designed to be a durable and fast solution, the Perma-Boot simply slides over the existing roof flashing to stop current leaks and prevent future property damage.

4N1® Rain Collar

The Multi-Size 4N1™ Rain Collar can be used to quickly and easily repair the elastomer sealing collar on all types of residential "no caulk" roof vent flashings. It eliminates the need for a mastic or caulking type messy repair job.

4N1® Aluminum Flashing

Adjustable multi-size flashing fits 1-1/4" to 3" and 3" to 4" vent pipe

BRAND	PRODUCT	DESCRIPTION
Perma-Boot	82875	3N1 Black Perma-Boot Repair

Battery Back Up Power Inverter Kit

Outdoor Faucet Freeze Protection

Introducing the Newest IPS Product

NEW

Freeze Miser is engineered to only release the minimal amount of water to PREVENT faucets from freezing. Its patented design allows the Freeze Miser to sense the internal water temperature and releases water below 37°F/3°C. As the water temperature fluctuates, the Freeze Miser automatically regulates the release rate. This fluctuation ensures reliable faucet freeze protection releasing the least amount of water, even in the most extreme freezing conditions.

BRAND	PRODUCT	DESCRIPTION
Freeze Miser	20201	Freeze Miser—1 pk Clamshell
Freeze Miser	25202	Freeze Miser—2 pk Clamshell

The Brands Professional Plumbers Choose.

IPS manufactures the brands professional plumbers choose, combining world class customer service with innovative highly-reliable products that help contractors work faster and smarter. With eleven residential and commercial brands available on one order, one shipment and one invoice – we will never stop working to exceed your expectations.
